# The Year of 1986

1986 . . . A year filled with excitement, disappointment, anger, smiles, fear, happiness, and times to cherish for the rest of our lives.

This 1985-86 high school year was the last for the twenty-four students in the class of 1986. Let's look back for a moment, at some of the highlights and top news stories of the year.

Remember . . . the pouring rain as we defeated Asherton 16-0?

Remember . . . when it was snowing and we still had to come to school, then the next day we got to stay home and the sun came out?

Remember . . . February 4, 1986, the Challenger's last launch and the death of the seven crew members who are still alive in our hearts?

Remember . . . when Melanie Weatherly, was crowned the first Miss Edwards County on May 10, 1986 at the Top of the World Festival?

Remember . . . the Soviet Union's catastrophe when one of their nuclear power plants exploded causing radio-activity to spread over large parts of the earth?

Remember . . . when the Scarlet Spurs were chosen to be one of the many drill teams selected to perform in New York City for the re-opening of the Statue of Liberty on July 4th?

Remember . . . House Bill 72's "No pass-no play" rule and how some students could just not play?

Remember . . . when Allison Todd advanced to state in shorthand with her speedy techniques?

Remember . . . when terrorism struck worldwide with the May bomb threats and highjacking?

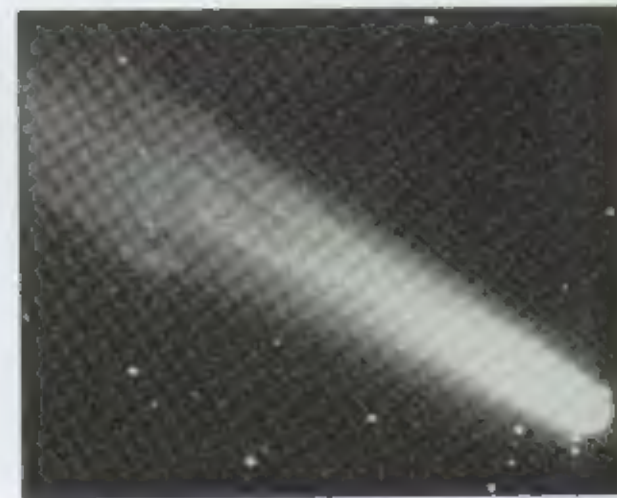

Remember . . . the last time the cafeteria served grapes after the grape fight in February?

Remember . . . when the Texas Educational Agency came to evaluate the school system and how some of us had to act more intelligent than we really are?

Remember . . . when Felica Franco made it to state in track and got 8th place in the 800 meter run?

Remember . . . when the One Act Play won Zone and went to District with the play "Alice in Wonderland"?

These are some special events which will remain in our memories for a life-time.

# Homecoming

Excitement filled the air on Homecoming Night 1985-86. Crowning ceremonies were held at 7.45 P.M. on Friday, Oct. 18. There were 5 candidates for Football Sweetheart. They were Julieta Zamudio, a senior, Edna Ramos and Blanca Ramirez, both juniors, and Melissa Franco and Shannon Epperson, both sophomores. Each of the candidates were escorted by senior members of the Angora football team.

It had rained all day but cleared up for the Homecoming festivities. The 1984-85 sweetheart, Miss Mary Reyes, escorted by Abby Franco and Jerry Capps, presented each candidate with a rose. The candidates all waited anxiously for Mr. O.D. Anderson to announce the winner.

Then the moment came, Miss Julieta Zamudio was crowned 1985-86 Homecoming Football Sweetheart.

It turned out to be an exciting homecoming for everyone at R.H.S. with everything, starting the night before, with the bonfire, and ending the next day with the pep rally, game, and Halloween Dance.

# Sadie Hawkin's Dance

Sweethearts and their sweethearts were kept on their feet at the Sadie Hawkins Dance with the music from a San Antonio disc jockey.

The traditional "girl asks the guy" dance was a great success this year. The cafeteria was decorated in red and white and the dance was sponsored by Mrs. Rust's F.H.A. class. These future homemakers supplied sandwiches, punch, chips, cookies, and cake. This Valentine's dance was held on Saturday, February 15. It began at 8:00 p.m. and ended at 12:00 a.m. During the four hours of dancing and eating, there were also special events that took place. There was a dance contest in which the students cheered for their favorite couple. The lucky couple was Illa Hale and Mark Weatherly. There was also voting for F.H.A. beau and sweetheart. Jesse Lopez and Patricia Arebalos were awarded with this honor.

The Sadie Hawkins Dance was a special event for Rocksprings High School students and was one highlight of the 1985-86 school year.

# Ready, OK!

Being a cheerleader is not an easy task. It can be fun but it also involves a lot of planning, work and practice. As the excitement of having made the squad dies down, the girls begin to realize that a lot of decision making and planning needs to be done before the first game. Deciding which camp to attend is the first step to make. Then the girls have to decide on the uniforms they would like to wear throughout the season.

Uniforms do not come cheap and the girls spent the summer earning money by having bake sales and car washes in order to buy them. Besides working for their money to get their uniforms, the girls spent a lot of their time practicing in preparation for camp and also making signs.

The girls attended a U.C.A. camp at San Marcos from August 5-8. While there, the girls being a young squad, realized that working together was the key to success. The girls did extremely well and brought home numerous ribbons and the spirit stick which they won every evening except one. The girls were accompanied to camp by their sponsor, Miss Rebecca Zamudio. While there she attended a seminar held for sponsors.

This year the girls each shared the responsibility of being head cheerleader as before. The head cheerleader must plan what she wants to do at the pep rally, what uniform to wear, and what cheers to do at the game.

Being a young squad did not stop the girls. They learned and grew together with the help of their sponsor and Rachel Adams, who was the only returning cheerleader this year.

For those of you who would someday like to be a cheerleader, remember that it takes a lot of hard work, practice, and always remember that you are representing not only yourself, but your school as well.

B - There goes your sign girls

TL - The girls are getting excited!

TR - Rachel, only returning and senior cheerleader

BL - "Like this!" says Melissa Franco

BR - Jump higher Betty Ann!

# Luau 86

Prom night was a very special night for the students who attended. It was a time to enjoy with your special date and also with all your friends

This year's theme was "Luau 86". The dance was held in the cafeteria on April 12, 1986. Decorations consisted of colorful balloons, streamers, palm trees, and other items which carried out the theme. One such thing was a wall mural drawn by Tudy Rios and Efrain Castillo. Refreshments were served by Mr. and Mrs. Eddie Franco from a Hawaiian hut which also carried out the theme. Disc jockey for the night was Temple Avila. As guests entered, they were presented leis and as they departed they were given scrolls which told about this JR-SR Prom

One highlight of the evening was the crowning of Prom King and Queen. Jeff Callison and Patricia Arebalos were awarded this honor

"Luau 86" is a prom night that will long be remembered by those who attended.

# One Act Play

The Drama Class of the 1985-86 school year consisted of thirteen students, all of which were hard working and willing to do all they could to better the organization. These students with the help of Mrs. Zerr, their drama instructor, worked their way to the top throughout the year.

In order to benefit the students' confidence in public speaking, they were each assigned to pick some reading material and recite it to a class of Pre-Kindergarten students. The drama students were expected to be able to capture and keep the young audiences attention. The students also read amongst each other and critiqued each others reading. They also worked on Prose and Poetry for six weeks, and worked on Monologues.

All of this work prepared the drama class for the success which they experienced in the later part of the year. The students worked up their own version of "Puttin' on the Hits," and also worked on their two plays, The Grounded Witch, and The Inn Spectre.

When the One Act Play competed at Zone, many did well. Dila Luna was All Star Cast and Beth Louks, Rachel Adams, Devonna Capps, and Mollie Acosta all received honorable mention. At District, Beth Louks and Kris Andis were both awarded All Star Cast, and honorable mentions were Devonna Capps, Ila Hale, and Dila Luna.

Mrs. Zerr feels that taking a drama class is very worthwhile because it helps students overcome their shyness, and it encourages the students to capture an audiences attention and keep them entertained

Although this was the first year that Rocksprings High School offered a drama class, the students and teacher, Mrs. Zerr, were proud of their many accomplishments.

# F.H.A. 85-86

The Future Homemakers of America had a very busy year. They started off with initiation of new members in which they had to come to school in their sleeping clothes. A swimming party was held at Blue Hole to open the new year and welcome all the members back. The F.H.A. sponsored two dances this year. One was the Homecoming Halloween Dance and the other was the Sadie Hawkins Dance. Members were involved in S.A.D.D., Students Against Drunk Drivers. They were also involved in the Great American Smoke-Out in which they had a balloon release as one of its projects. Members were very busy on F.H.A. week which was February 10-15. Activities were held each day. Monday was "Crazy Hat Day"; on Tuesday the F.H.A. had a covered dish luncheon; Wednesday was Teacher Recognition Day; on Thursday they had community service; and Tacky Day was held on Friday. Seven members attended the Region meeting and three members attended the state meeting in which they presented their scrapbook. These and other activities made this F.H.A. year a very exciting and memorable one

Farmer - A person who raises crops or animals on a farm. This person is an essential necessity in all our lives. Our F.F.A. members at Rocksprings High School have really lived up to this definition throughout the 1985-86 school year

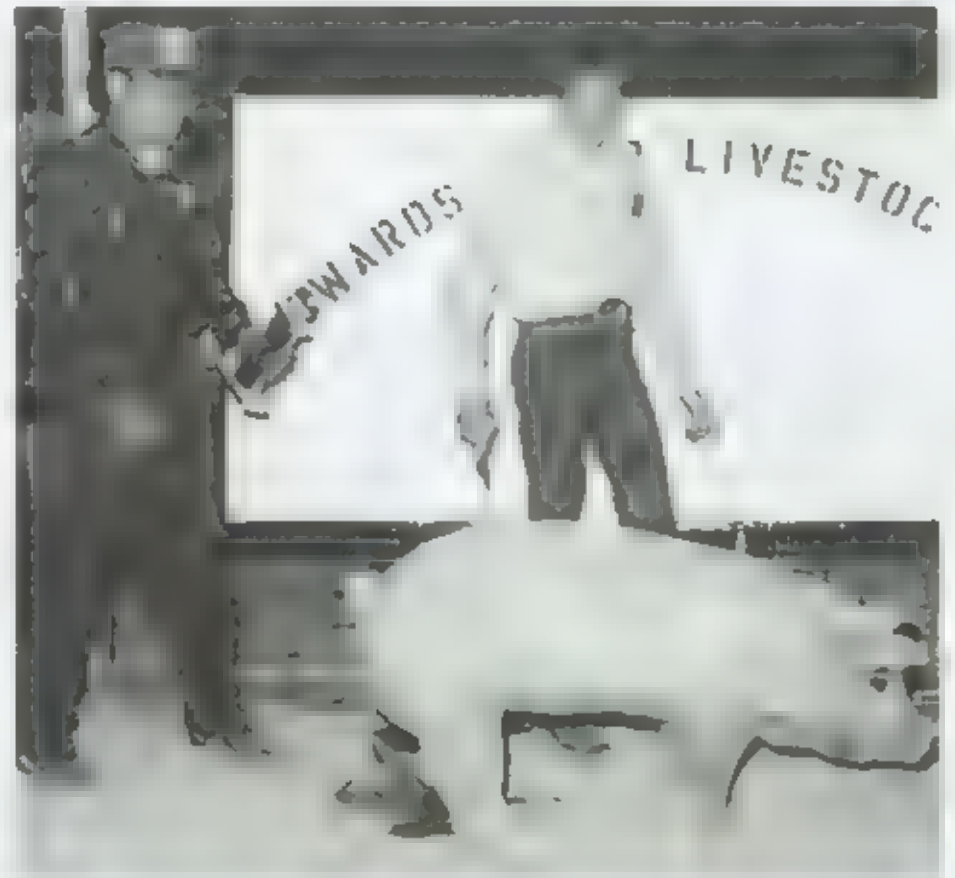

The officers this year included: President - John Sevier; Vice-President - Dustin Herschap; Treasurer - Fortino Patino; Secretary - Traci Fluit; Reporter - Juan Martinez; Sentinel - Moe Jimenez; and the Student Advisor - Shawna Bates

This year the Future Farmers of America were involved in many different activities, such as the stock show, the rodeo, dairy judging, and calf scrambling. At the stock show, John Sevier, Brian Ross, and Dustin Herschap were awarded for their individual achievements. John received an award for his Grand Champion lamb. Brian received a Grand Champion hog and Reserve award as well as a Showmanship award. Dustin was also awarded with an Outstanding Showmanship Award

# Horns up!

The 1985-86 Angora band consisted of forty members this year. Most of which were actively involved by participating in competitions and learning and practicing their individual parts. The band officers this year were as follows: President; Shawna Bates, Vice-President, Patricia Arebalos, Secretary; Edna Ramos, and Sergeant at Arms; Jeff Callison. Drum major for this year was Dila Luna.

The band kept the public well aware of their playing capabilities when they performed at the Top of the World Festival, the Christmas concert and at the Spring concert where they played several Texas spirited songs as a tribute to the Texas Sesquicentennial. Many of the top band students participated in the solo ensemble U.I.L. competition and the majority of them received first division ratings and medals. The band as a group participated in U.I.L. marching and concert contest and received a III in both.

At the end of the year, Mr. Harvey, this year's band director, awarded a certificate award to one student from each grade and one high school band member. He also awarded the prestigious John Philip Sousa to a deserving Senior band member. These awards were presented to Steve Sumners - 6th, Alfonso Acosta - 7th, Sheri Epperson - 8th, and Cindy Martinez - 11th grade. These students were given a paid trip to Angelo State University to attend band camp in the summer. The John Philip Sousa award went to Jeff Callison.

Obviously this year has been challenging and rewarding for the Angora band.

# Graduation Time!

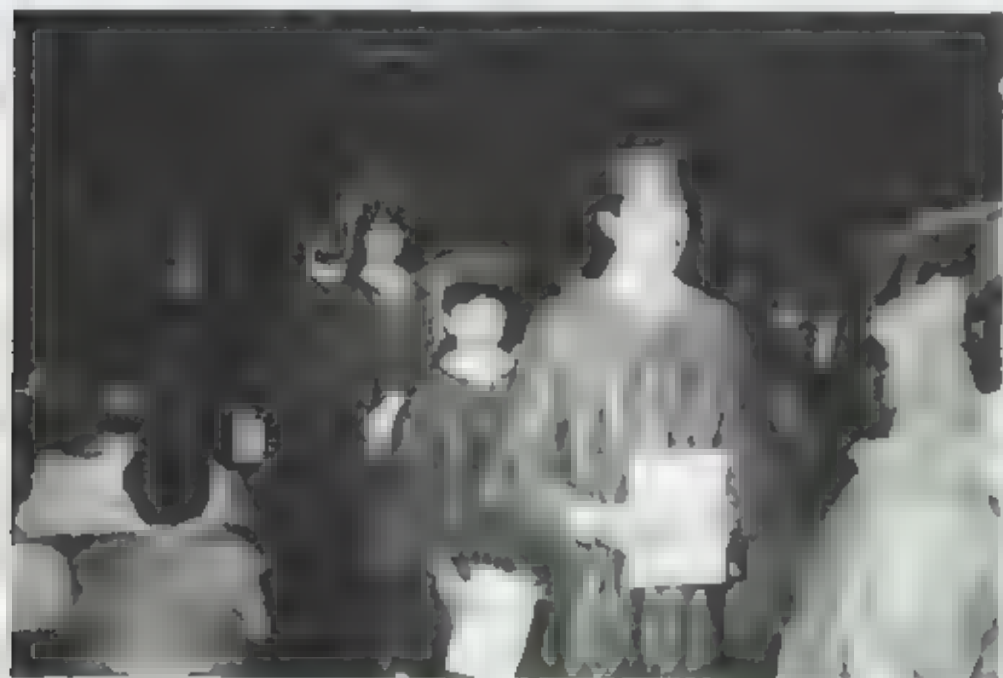

Yes, the time was indeed here. May 31, 1986 was the day the senior class of Rocksprings High School had long awaited for. Twelve years of school were finally being awarded by a diploma which was to be presented on that night. This year 24 seniors were among those to receive their diplomas for this achievement.

The excitement was even higher this year since commencement exercises were to be held on the football field for the first time ever, here in R.H.S. Everything was set up for that evening, chairs, microphone equipment, and the piano were ready. But then clouds began to build up more and more. By 8:00 P.M., the time in which it was supposed to start, it was getting worse and worse. People were filling up the stands. It was decided to go on with the graduation as far as it was possible. The graduates got as far as walking in, hearing the invocation, and then the rain came. Everything had to be moved into the auditorium! In a matter of minutes commencement exercises were moving again.

The salutatory speech was given by Dila Luna and the valedictory speech by Julieta Zamudio. Guest speaker was Mr. Charles Wittenburg. Mrs. Lindi Dunbar sang the class song, "Friends", while the graduates presented their mothers with a single red rose. This graduation is one that will long be remembered by many people, especially the Class of 1986.

MR - Good looking bunch of graduates, don't you think?

BL - Julie trying to sign Debbie's cap

T - Presentation of diplomas, finally!

ML - Everybody holding on to their diplomas follow the recessional out

# Hawaii '86

"Hawaii", a dream come true for the graduates of 1986 of R.H.S. After four years of hard work they finally got what they wanted, a senior trip to Hawaii. Nineteen graduates and five sponsors went on this trip. The sponsors were Mr. and Mrs. Luna, Mr. and Mrs. Vicente Vega, and Mrs. Nico Rendon.

They left Rocksprings on Wednesday, June 14 at 5:30 A.M. They traveled to San Antonio on a chartered bus. From San Antonio, after their flight was changed due to the weather, they flew to Dallas and from Dallas to Honolulu, Hawaii. The flight from Dallas to Hawaii took about 7½ hours. For some this was the first time to ever ride on a plane and it proved to be quite an experience. After arriving on the beautiful island, they enjoyed sightseeing, shopping, dancing, swimming, sunbathing on Waikiki beach, and other activities. Some went snorkeling at Hanuama Bay, others went on tours, and others went on the Pearl Harbor tour. The most exciting activity which was attended by all of them was a luau. There they were served many Hawaiian foods and drinks, enjoyed a beautiful sunset, and watched a variety of native dances. It was a memorable night.

After 8 days and 7 nights on the island Oahu, the time came to come home. They flew out of Honolulu at 5:30 P.M. and arrived at Rocksprings around 10:30 the next morning. This is one trip that will never be forgotten, they are hopeful to return one of these days.
